Remember the "please stop giving" story in Exodus? The Israelites are wandering in the wilderness. Moses tells the people to give toward the construction of the tabernacle. The people were to give willingly, whatever their hearts prompted them to give. They give... and apparently their hearts prompted them to give much more than needed. So much more that the builders stop working to ask Moses to tell the people to please quit giving. We already have more than we need. And so Moses **commands** the people not to give anymore: "No man or woman is to make anything else as an offering for the sanctuary." (Exodus 36:6)

Thank you so much for praying for my ministry need: an additional \$250 per month. God provided even more than I needed! I'm super excited to have my ministry needs met and to be able to give more myself!
