### Team Building for African Colleagues in Nairobi

Thanks to those who donated to help pay for a team building activity for colleagues in Africa while we were in Nairobi (see the [report: https://tinyurl.com/2025-Kenya](https://tinyurl.com/2025-Kenya))! We didn't actually raise all of the funds we needed to pay for this trip beforehand but went in faith — paid with money we don't have... yet...

If you'd like to contribute to the shortfall, you can still do so by mailing a check to:

SIL International Finance, 7500 W Camp Wisdom Road, Dallas, TX 75236 - Include a note with your designation preference "Project *ITSupport-R\_AFA*" or by giving online: <https://give.sil.org/give/556293>

## TWENTY FIVE years of ministry

April 2025 is my 25 year anniversary serving with Wycliffe. Some of you have been part of my financial and prayer support team for all 25 years! Others were able to give in the past, others started giving more recently, gave one time gifts, and each one of you have been an encouragement to me in my ministry. I am so thankful for all the people who have made my ministry in Wycliffe Bible translators possible. **Thank you and all praise to our God!!!**

### ☹️ Handing out the wrong phone number since 2019

I copied the phone number for Wycliffe for a supporter from my last newsletter and I gave him the wrong number. I checked, sure enough, I listed the wrong number in my last newsletter, so I looked at the one before, and the one before that and going back six years, wrong number.

**Wycliffe's correct phone number is 1-800-WYCLIFFE (1-800-992-5433)**

### Next Up for me...

I'm headed back to Africa at the end of this month: South Africa this time...

Johannesburg, South Africa via Istanbul, Turkey  
April 30 - May 15 2025

 Hagia Sophia "Holy Wisdom"  
church, now a mosque.  
Istanbul, Turkey

 Lion & Safari Park  
Johannesburg, South Africa

I serve with Wycliffe and they "contract" me to an international organization called "SIL Global". Delegates from every place in the world where SIL serves (98 countries) meet every four years (except when COVID messes things up). We will be installing our new Executive Director and some new board members and setting direction for the next four years when we meet in Johannesburg, South Africa in May.
