

HOWe Things Are... Ministry news from Sheryl Nelson

South Africa - May 2025

Clockwise: celebrating translated Scripture; commissioning of new Executive Director team: (kneeling) **Johnstone** (new Executive Director), his wife **Esther**, **Christy** (my new boss), **Marie** and **Ian**; Johnstone addressing the conference; at celebration; white lion from my South Africa safari; praise and worship: one of our board members teaching us to sign "praise God" in his language, Japanese sign language.

I'm so happy to be home!!! I very much enjoyed meeting and reconnecting with colleagues from around the world and I'm very happy to be done with traveling for a little bit!

Praise God for opportunities to deepen work relationships -- there just is no substitute for meeting in person.

Praise God for good relationships among many Bible translation organizations. A good number of our partners participated in our South Africa meetings. **Pray** for continued unity in Christ among organizations. Continue to **pray for more IT missionaries** to fill empty positions.

Pray for endurance and protection for our (SIL Global's) new executive director and director team.
