

How exciting is this photo?

This photo captures a critical step toward publishing the full Bible in the Lama language (Togo, Africa):

- **The Task:** Read through over 1,000 pages of the Lama Old Testament to correct errors.
- **The Progress:** In their first week (Jan 12–16), three teams read through 8 books and parts of 3 more. This was much faster than anyone expected! 📖 ✨
- **The Work:** Meticulously correcting spelling variations and punctuation.
- **Prayer Request:** Please pray for this important step in the process of getting God's Word to the Lama people. 🌍 🙏
