Burger King Restaurant Toms King

Improved 20/20 Light (BK Custom Red)- Ashtabula, OH

Seating Concepts

125 Connell Ave.

Rockdale, IL 60436

Drawing Index:

Decor Drawings:

* These plans are produced from architects drawings received: 12-21-15

General Notes and Information:

General Notes

- 1. Do not scale off plans. Call Seating Concepts to verify any questionable dimensions - 815.730.7980
- 2. Dimensions are for design intent only.
- 3. Seating Concepts has prepared these pages as accurately as possible with the information provided. The owner understands that adjustments to the final locations of equipment and/or furniture placement may be required at the owner's expense due to discrepancies based on actual job site dimensions and conditions.
- 4. Refer to architectural drawings for complete and accurate dimensions of building structure.
- 5. These documents are the property of Seating Concepts.
- 6. These documents may not be copied, reproduced, used, or implemented in any way, without the consent of Seating Concepts.
- 7. Seating Concepts is not responsible for deviations, changes, additions, or deletions not reviewed and approved in advance by Seating Concepts.

Construction

- 1. The GC shall verify all dimensions and conditions on the job site and notify Seating Concepts of all discrepancies prior to starting work.
- 2. GC is to review Seating Concepts plans against the architectural drawing set they are using on site. GC shall notify Seating Concepts immediately if they notice discrepancies.
- 3. Dimensions marked GC to Verify must be verified and the measurements recorded to Seating Concepts. Failure to communicate verified dimensions to Seating concepts could result in a delay of decor fabrication and possible delay of shipment.
- 4. GC to locate thermostats and sensors and move accordingly so they do not interfere with decor.
- 5. GC to refer to elevations for typical wall finishes.

Finish Specification & Ordering of Materials

- 1. The building specifications have multiple options to choose from. Seating Concepts shows all the options in the specification sheets for the Owner/GC to select from. Seating Concepts does not select the option to be used. This is for the wall tile, floor tile, paint, and ceiling finishes.
- 2. GC to order by complete specification, including series, item number and color. Any discrepancies should be communicated to Seating Concepts immediately.
- 3. Changes to finishes as requested by owner after materials are ordered may result in owner assuming restocking fees or other additional costs associated with a re-selection.

Tile

Wall Tile

- 1. All outside corners of the tile walls to receive edge protection per trim schedule TR-3L. TR-3L trim is also located where tile transitions to paint or vinyl wall covering. GC is responsible for ordering the correct size trim system for installation.
- 2. Tile patterns are shown on elevations for representation of install pattern only. Do not scale from drawings.
- 3. GC to insure wall tile specified in restrooms and food service/prep areas meet the local health code requirements.
- 4. Recommended grout joint is 1/8".

Floor Tile

- 1. Base tile to be located from elevations.
- 2. Base tile in kitchen must match floor finish specification for kitchen tile.
- 3. It is the responsibility of the GC to account for variance in tile thickness to insure a flush floor tile installation.
- 4. If cove base tile is used the GC must install cove base to be flush with floor tile.
- 5. Recommended grout joint is 1/8".

6. GC must apply grout sealer.

Ceiling

Decor Package:

1. GC must coordinate all existing HVAC and lighting with interior decor.

* All Designs must be approved by Burger King Corporation.

Electrical

- otherwise noted.
- 2. All power and data to come from ceiling unless noted otherwise.
- 3. All electrical fixtures, wiring, and installation to be UL approved.
- 4. Pendants are to be centered over table top once final

- 1. GC is to inspect Seating Concepts product upon delivery. Notice of damage must be given within 24 hours of delivery. Any damage noted after this time period will become the responsibility of the GC and will be repaired or replaced at the GC's expense.
- 2. GC is responsible to protect product during and after installation. Seating Concepts will not be responsible for product replacement due to misuse by others during and/or after installation.
- 3. GC to refer to installation pages included in the installation instructions packet sent with the decor.
- 4. GC is responsible to insure appropriate installation of metalwork as required for table tops designated as ADA

1. All electrical outlets are located 18" A.F.F. unless

installation of seating is complete.

Installation

- compliant.
