

Single-Gang Recessed TV Box w/ Surge Protective & Low-Voltage Kit, White

TV1WTVSSW

Allows for snug-to-wall placement of your flat-screen TV and handles up to 12 multimedia connections, while the surge-protective outlet protects costly electronics from potentially damaging surges. Kit includes surge-protective duplex outlet, Cat 5e jack, F-connector, blanks and wall plates.

features & benefits

- **Recessed design** saves space and simplifies connections to cable or satellite boxes, DVRs, DVD players, surround-sound systems and more.
- **Clean, flush-mount appearance** – snap-on end caps hide mounting screws.
- **Flexible** – position either line voltage or low-voltage in all three openings.
- **Low-voltage connectors** offer both terminated and pull-through capability, so plugs and multimedia connections stay recessed behind the surface of the wall.
- Molded-in template and rectangular cut-out.
- Accepts standard TP wall plates.
- Metal swing brackets ensure a solid mounting.
- Uses old-work-style boxes for line voltage.
- Accepts all P&S keystone low-voltage connectors, including Cat 5e and F-Connectors (both supplied with Surge Protective kit), as well as RCA and audio binding posts.
